RESOLUTION.—By Notification No. 167, dated 16th May 1870, a system of District Savings Banks was established, the yearly rate of interest on deposits therein being fixed at $3\frac{3}{4}$ per centum, and the monthly rate at one pie for each Rupee $1\frac{5}{8}$.

25 25

2. The market rate of interest being now higher, the Governor General in Council notifies that with effect from the 1st January 1880, the monthly rate of interest on deposits in District, Presidency and Military Savings Banks shall be one pie for each 1½ Rupee, which is equal to Rs. 4½ per centum per annum. As this rate is now fixed in supersession of a lower rate, so it must be plainly understood that the Governor General in Council reserves the right of reducing the rate thus fixed again at any time at his discretion, and that it will not be open to any depositor to object to such reduction.

3. Moreover, the Governor General in Council deems it expedient to dispense with the restrictions of the existing Rules as to personal attendance and as to the hours for the transaction of business with the Savings Banks.

4. Accordingly, the Governor General in Council has passed the following Rules for District and other Government Savings Banks, revoking all previous Rules :—

I.—In these Rules—

"Depositor," "Deposit," and "Secretary" bear the meaning which they bear in *The Government Savings Bank Act*, 1873.

"Account" means the account of a Depositor in a Government Savings Bank.

"Balance" means the balance at credit of an account.

II.—Any person may become a Depositor on his own behalf, or on behalf of any other person. Deposits may also be made by the managers of benevolent or other public Associations, or by public officers, of money deposited with them *ex-officio* as security for the discharge of any public duty or for the fidelity of any public officer, or for the accomplishment of any public object.

III.—Subject to the provisions of these Rules, the Government of India guarantees the repayment of every deposit with interest.

IV.—Without the special or general sanction of the Governor General in Council, no account will be opened for less than One Rupee ; and no person may deposit more than Five Thousand Rupees, in all, between any 1st of April and the 31st March next following.

V.—Interest will not be allowed upon a smaller balance than 1½ Rupee, or upon the excess in any balance over the highest multiple of 1½ Rupee.

VI.—Interest will be allowed from the beginning of the calendar month succeeding that in which a deposit is made, to the end of the month preceding that in which it is withdrawn.

VII.—From the 1st January 1880, till further notice, interest will be allowed upon deposits at the rate of one pie a month for every 1½ Rupee, which is equal to one anna for every Rs. 18, or one Rupee for every Rs. 288, being at the rate of Rs. 4$\frac{1}{6}$ per centum per annum. Saving with the special or general sanction of the Governor General in Council, the highest monthly interest allowed upon any balance shall be Rs. 17$\frac{1}{3}$.

VIII.—On the written request of any Depositor, his balance or any part of it will be invested by the Comptroller General in his own name in trust for, and at the risk of, the Depositor at current market rates, in stock of any Loan which he may specify ; if no particular loan is specified, then stock of one of the Four Per Cent. Loans will be bought. The stock thus bought will be held by the Comptroller General on the Depositor's account, the interest thereon, less a commission of one-quarter per cent, being added to his deposit, on advice from the Comptroller General, and entered in his Deposit Book, the first time that it is subsequently presented. Stock held on account of a Depositor will, on his written request, be sold, and the proceeds added to his deposit, or, if he desires it, will be converted into notes and delivered to him. A commission of ¼ per cent will be charged upon such purchases, sales and deliveries.

IX.—Every account will be made up on the 31st March, and the interest then due, calculated under these Rules, added to the balance upon which future interest will accrue. If an account is closed on any other date, interest due to the end of the preceding calendar month will be paid to the Depositor : but a Depositor who closes an account should not, ordinarily, be permitted immediately to re-open it, except on payment of a fine varying at the discretion of the Secretary from one to ten Rupees.

X.—An account may be transferred free of charge to any other Government Savings Bank.

XI.—A Deposit Book will be supplied to each Depositor in which the Secretary, or, if the Savings Bank is at a public treasury, the Treasury Officer, will acknowledge every deposit. The personal attendance of the Depositor is not required; but no deposit will be received or payment made without the Deposit Book, and the Government will not be responsible for any deposit the receipt of which is not acknowledged in a Deposit Book. The interest due to date will be entered in each Deposit Book the first time that it is produced after the 31st March. The first Deposit Book will be supplied free of charge; but if a Deposit Book is lost or injured, or if a closed account is re-opened, one rupee will be charged for a new book.

XII.—A Depositor may not operate frequently upon his account as if it were an ordinary banking account, or open more than one account in his own name or in the name of any member of his family or for his own benefit or the benefit of any member of his family. The Comptroller General must take account of any transgression of this Rule, and, in particular, any employment of an account as an ordinary banking account. This rule is not meant to prevent any one from opening more than one *ex-officio* or public account.

XIII.—The Secretary may refuse to open any account or may close any account, for any sufficient reason, as for example, because he thinks that the account is likely to be used or is being used contrary to the object with which Government Savings Banks are established, namely, the encouragement of saving. But every such refusal or closure, and the reasons for it, should be reported to the Comptroller General.

XIV.—When the Secretary thinks it proper to close any account, he shall give notice, in writing, to the Depositor, of such closure. After the date of such notice, no deposit shall be accepted on the account so closed, and no interest shall be allowed upon the balance of the closed account after the end of the calendar month then current.

XV.—These Rules apply as well to accounts opened before as after their publication.

XVI.—The Governor General in Council reserves the right to alter or add to these Rules at any time.

XVII.—A copy of the Government Savings Banks Act, 1873, and of these Rules, shall be printed in each Deposit Book, and the signature, or if he cannot read, mark of the Depositor, obtained to the annexed declaration before any deposit is accepted from him.

Declaration to be recorded in accordance with Rule XVII.

I acknowledge that I have read these Rules (or, if he cannot read that these Rules have been read to me).

Fort William, the 31st December 1879.

No. 94.—The following Regulations for the Examination of Candidates for the Civil Service of India, to be held in June and July 1880, are published for general information :—

CIVIL SERVICE OF INDIA.

The Civil Service Commissioners have been requested to inform Candidates for the Indian Civil Service that, "in the event of their being appointed to the Service, they will not be admitted to the existing Civil Funds, but that they will be required, as a condition of their appointment, to subscribe to a new Fund which is about to be established by the Secretary of State for India in Council for the Grant of Pensions to the families of future members of the Indian Civil Service."

REGULATIONS FOR THE OPEN COMPETITION OF JUNE AND JULY, 1880.

N. B.—The Regulations are liable to be altered in future years.

1. On June 15th, 1880, and following days, an Examination, open to all qualified persons, being natural-born subjects of Her Majesty, will be held in London. Not fewer than Candidates will be selected, if so many shall be found duly qualified ; *viz.* for the Presidency of Bengal, [for the Upper, and for the Lower Provinces,] for that of Madras, and for that of Bombay. (*a*)

2. Any person desirous of competing at this Examination must produce to the Civil Service Commissioners, before the 1st of April, 1880, evidence shewing :—

(i.) That he is a naural-born subject of Her Majesty.

(ii.) That his age will be above seventeen years on the 1st of June, 1880, and under nineteen years on the 1st of January, 1880. (*b*) [*N. B.—In the case of Natives of India this must be certified by the Government of India, or of the Presidency or Province in which the Candidate may have resided.*]

(iii.) That he has no disease, constitutional affection, or bodily infirmity unfitting him, or likely to unfit him, for the Civil Service of India. (*c*)

(iv.) That he is of good moral character. (*c*)

He must also pay such fee as the Secretary of the State for India may prescribe. (*d*)

3. Should the evidence upon the above points be *primâ facie* satisfactory to the Civil Service Commissioners, the Candidate will, upon payment of the prescribed fee, be admitted to the Examination. The Commissioners may, however in their discretion, at any time prior to the grant of the Certificate of Qualification hereinafter referred to, institute such further inquiries as they may deem necessary ;

(*a*) The number to be selected will be announced hereafter. Notice of the days and place of Examination will be sent to each Candidate about the end of May.

(*b*) At subsequent competitions, Candidates will be required to be above 17 and under 19 on 1st June of the year in which the competition is held.

(*c*) Evidence of health and character must bear date not earlier than the 1st March 1880.

(*d*) The fee will be £5, payable by means of a special stamp according to instructions which will be communicated to Candidates.

and if the result of such inquiries, in the case of any Candidate, should be unsatisfactory to them in any of the above respects, he will be ineligible for admission to the Civil Service of India; and if already selected, will be removed from the position of a Probationer.

4. The Examination will take place only in the following branches of knowledge:—

		Marks.
(*e*)	English Composition	300
(*f*)	History of England—including a period selected by the Candidate	300

	Latin	800
	French	500
	German...	500
	Italian	400
(*e*)(*g*)	Mathematics (pure and mixed)	1,000

Natural Science: that is, the Elements of any two of the following Sciences, *viz*:—

Candidates are at liberty to name, before April 1st, 1880, any or all of these branches of knowledge. No subjects are obligatory. (*i*)

5. The merit of the persons examined will be estimated by marks; and the number set opposite to each branch in the preceding regulation denotes the greatest number of marks that can be obtained in respect of it.

6. The marks assigned to Candidates in each branch will be subject to such deduction as the Civil Service Commissioners may deem necessary, in order to secure that "a Candidate be allowed no credit at all for taking up a subject in which he is a mere smatterer." (*e*)

7. The Examination will be conducted on paper and *viva voce*, as may be deemed necessary.

8. The marks obtained by each Candidate, in respect of each of the subjects in which he shall have been examined, will be added up, and the names of the Candidates who shall have obtained, after the deduction above mentioned, a greater aggregate number of marks than any of the remaining Candidates, will be set forth in order of merit, and such Candidates shall be deemed to be Selected Candidates for the Civil Service of India, provided they appear to be in other respects duly qualified. Should any of the Selected Candidates become disqualified, the Secretary of State for India will determine whether the vacancy thus created shall be filled up or not. In the former case, the Candidate next in order of merit, and in other respects duly qualified, shall be deemed to be a Selected Candidate. A Selected Candidate declining to accept the appointment which may be offered to him will be disqualified for any subsequent competition.

(*e*) Marks assigned in English Composition and Mathematics will be subject to no deduction.

(*f*) A considerable portion of the marks for English History and Literature will be allotted to the work selected by the Candidate. In awarding marks for it, regard will be had partly to the extent and importance of the periods or books selected, but chiefly to the thoroughness with which they have been studied.

(*g*) The Examination will range from Arithmetic, Algebra, and Elementary Geometry, up to the elements of the differential and integral calculus, including the lower portions of applied Mathematics.

(*h*) The standard of marking in Sanskrit and Arabic will be determined with reference to a high degree of proficiency, such as may be expected to be reached by a Native of good education.

(*i*) Applications for leave to alter or to add to the list of subjects named will not be entertained unless received on or before the 15th of May, 1880.

32

9. Selected Candidates, before proceeding to India, will be on probation for two years, during which time they will be examined periodically, with a view of testing their progress in the following subjects :—*

		Marks.
1.	Law	1,250
2.	Classical Languages of India—

	Arabic	400

3.	Vernacular Languages of India (each)	400
4.	The History and Geography of India	350
5.	Political Economy	350

In these Examinations, as in the open competition, the merit of the Candidates examined will be estimated by marks, and the number set opposite to each subject denotes the greatest number of marks that can be obtained in respect of it at any one Examination. The Examination will be conducted on paper and *viva voce*, as may be deemed necessary. The last of these Examinations will be held at the close of the second year of probation, and will be called the "Final Examination," at which it will be decided whether a Selected Candidate is qualified for the Civil Service of India. At this Examination Candidates will be permitted to take up any one of the following branches of Natural Science, *viz.*—Botany, Geology, and Zoology, for which 350 marks will be allowed.

10. Any Candidate who, at any of the periodical Examinations, shall appear to have wilfully neglected his studies, or to be physically incapacitated for pursuing the prescribed course of training, will be liable to have his name removed from the list of Selected Candidates.

11. The Selected Candidates who, at the Final Examination, shall be found to have a competent knowledge of the subjects specified in Regulation 9, and who shall have satisfied the Civil Service Commissioners of their eligibility in respect of nationality, age, health, and character, shall be certified by the said Commissioners to be entitled to be appointed to the Civil Service of India, provided they shall comply with the regulations in force, at the time, for that Service.

12. Applications from persons desirous to be admitted as Canditates are to be addressed to the "Secretary to the Civil Service Commissioners, London, S. W.," from whom the proper form for the purpose may be obtained.

Transport.

2. No arms, or ammunition, or military stores shall be transported in any part of the Territories of Mysore without a license in Form I appended to these Rules. The license will be granted by the Magistrate of the District. If the articles are to be consigned to a place beyond the jurisdiction of the officer granting the license, the consent of the Magistrate of the District to which the consignment is made must be obtained before the license is issued. Such consent may be obtained by the person applying for the license, or the District Magistrate, to whom application for the license is made, may forward the proposed license to the officer whose consent is required, and on receiving reply should either issue the license to the applicant, or inform him that his application for a license to transport arms, &c., had been refused.

3. Persons lawfully entitled to possess arms, or to go armed, are permitted to transport, in any part of the Territories, of Mysore, arms or ammunition in reasonable quantities for their own use. Any person abusing this exemption and transporting such articles otherwise than in reasonable quantities for his own use, will be held to have contravened this rule, and will, on conviction, become liable to the penalties under sections 18 and 19.

4. A license to transport arms or ammunition, or military stores is void if the consignment breaks bulk at any place short of the district for which it may be granted. A license to transport shall ordinarily not be made valid for more than twice the period actually required for the conveyance of the articles to their destination by the intended route.

5. Persons desirous of transporting arms, ammunition, or military stores must apply in writing to the officer authorized to grant transport licenses from the place of despatch. The application must specify—

10. Licenses to possess arms and ammunition in reasonable quantities and to go armed for purposes of sport, of protection, or of display, may be granted by the Magistrate of the District in Form IV. Such licenses shall be liable to a fee of eight annas for each weapon in disarmed districts, and to a fee of four annas for each weapon in districts which have not been disarmed. Licenses granted under this rule shall, on countersignature by the Commissioner of the Division, or other Officer authorized in this regard by the Chief Commissioner, where there are no Commissioners, be valid for all the Districts of the Territories of Mysore.

It will be subject to the conditions that the license and the weapon it covers is shewn once a year, between the 15th November and the 31st December, to the nearest Magistrate ; that the weapon becomes confiscated to Government directly it is sold or seized in execution of any debt ; and that such weapon is carried only on occasions when it is to be used *bonâ fide* for the destruction of wild animals. Holders of licenses under this rule must not go armed in railway carriages, to fairs, religious processions, or other public assemblages.

General.

14. The fees leviable under these rules shall be taken in the shape of "impressed stamps." Ordinarily the applications for licenses or renewals of licenses shall be written on "impressed stamps" of value equal to the amount of fee leviable in respect of such licenses or renewals ; and the licenses will be issued on plain paper. But when the licenses themselves are written or printed on "impressed stamps," the applications may be on plain paper. When an application for a license is written on an "impressed stamp," and the license is refused, the value of the stamp will be refunded to the applicant.

15. Aplications for licenses in respect of which no fee is leviable, or regarding licenses on which the full fee has been paid, shall be considered to be applications within meaning of Schedule II, Article 1, Clause (*a*) of "the Court Fees Act, 1870," and shall bear a court fee stamp of one anna.

Licenses under Rules, 9 and 12 may be granted, subject to the observance of a close season in the pursuit of game-birds or animals that do not injure either men, or cattle, or crops. The limits of the close season will be decided by the Chief Commissioner of Mysore, and the condition regarding such close season, if imposed, shall be endorsed on the reverse of the license.

18. Any person holding a license, or acting under a license, granted in accordance with these rules shall be bound to produce the same, when called upon to do so by any Magistrate, or by any Police Officer in charge of a Police Station, or by any Police Officer of higher rank.

19. Licenses granted for use within a District shall be written or printed in the vernacular language of such district. Licenses for use beyond the district where they may be granted shall be in English and may be in the vernacular as well.

20. A license granted under these rules will cover only the weapons or other articles and the persons named therein, unless the officer granting a license under Rule 9 or 10 deems it expedient to include the retainers of any person named in the license ; in such case the entry on the face of the license shall declare how many and whose retainers are covered by the license.

21. Any officer empowered to grant a license under these rules may, at his discretion, refuse to grant, to renew, or to consent to the issue of, a license, or may refer any application for the orders of the Chief Commissioner.

V.—If the net earnings of the whole calendar year exceed 4½ per cent upon the capital cost of the railway, an additional one-half per centum, making, in such case, one per centum of the net earnings for the whole year, shall be provisionally distributed in like manner, and subject to the same conditions. Provided that the bonuses distributed among the depositors of any railway in one year or half-year shall in no case exceed the compulsory deposits on their behalf during the same period.

VI.—If the bonus calculated under Rule IV appears to the Government, in any case, insufficient, the Government of India will deal with the case specially according to its discretion; but subject always to the proviso in Rule V.

VII.—Any bonus accruing to a depositor under Rule IV, V or VI shall be added, provisionally, to his deposits ; but such bonuses and all interest provisionally accruing thereon, shall be shewn in a separate column in his deposit-book, and shall be subject to the condition prescribed in Rule XIV.

VIII.—A servant may, at his discretion, make other deposits in the Savings Bank besides the compulsory deposits made on his behalf. (iii) with the permission of the manager, under Rule XI.

XI.—On the manager being satisfied that the pecuniary circumstances of a depositor are such that the indulgence is absolutely necessary, the compulsory deposits of the depositor, and, if they do not suffice, his bonuses, or any part of his compulsory deposits or bonuses, may be withdrawn, temporarily, to pay for the passage of the depositor or any member of his family proceeding to Europe on medical certificate, or returning after such absence, or of any member of the depositor's family coming from Europe to join him.

XII.—In addition to the compulsory deductions under Rule III, the manager shall withhold from the salary of such depositor, and deposit again in the Savings Bank, one-twentieth part of any sum withdrawn under Rule XI. Such deduction shall be made whenever full salary is drawn, until the whole is refunded.

XIII.—When a Deposit Account is first opened, the depositor shall be required to record in his deposit-book under his signature, and in his own hand-writing, the names of any person or persons whom

he believes to be his next-of-kin, or to whom he has bequeathed the whole or any portion of his deposits. The depositor should be invited to initial or revise this record half-yearly. 103

XIV.—If a depositor is dismissed from the public service, the manager may, with the sanction of the Director General of Railways, withhold all or any part of the bonuses provisionally allotted to him with the interest accrued thereon, and pay to the depositor only the balance at his credit without such bonuses and the interest thereon.

XV.—Any bonus and interest withheld from a dismissed depositor under Rule XIV shall be distributed among the depositors of the railway on which he served, with the next bonus granted to them.

No. 23.—Under instructions from the Government of India. Foreign Department, the following Resolution of the Department of Finance and Commerce No. 909, dated 20th February 1880, regarding Government Savings Banks, is re-published for general information, as applicable to Mysore, with the following modifications :—

In Rule III *for* "Government of India" *read* "Government of Mysore."

Instead of Rule VIII *read* "on the written request of any Depositor, the balance or any part of it will be remitted by the Treasury Officer to any person or Company in Mysore, free of charge, by means of a public service transfer receipt."

Department of Finance and Commerce, dated Fort William, the 20th February 1880.

No. 909.—Read again—

Resolution No. 2037, dated 20th December 1879, publishing the Rules for District and Presidency Savings Banks.

Resolution No. 385, dated 24th January 1880, providing that the above Resolution does not apply to Military Savings Banks.

Resolution No. 561, dated 5th February 1880, permitting the Comptroller General to receive and hold in trust Government Paper for any Depositor.

RESOLUTION.—Sundry additions having been made to the Savings Banks Rules published on the 20th December 1879, the Governor General in Council considers it expedient to issue the following revised Rules for District and Presidency Savings Banks, revoking all previous Rules :—

I.—In these Rules—

"Depositor," "Deposit," and "Secretary" bear the meaning which they bear in *The Government Savings Bank Act*, 1873.

"Account" means the account of a Depositor in a Government Savings Bank.

"Balance" means the balance at credit of an account.

II.—Any person may become a Depositor on his own behalf, or on behalf of any other named person dependent upon him. Deposits may also be made by the managers of benevolent or other public Associations, or by public officers of money deposited with them *ex-officio* as security for the discharge of any public duty or for the fidelity of any public officer, or for the accomplishment of any public object.

III.—Subject to the provisions of these Rules, the Government of India guarantees the re-payment of every deposit with interest.

IV.—Without the sanction of the Comptroller General, no account will be opened for less than One Rupee ; and no person may deposit more than Five Thousand Rupees, in all, between any 1st of April and the 31st March next following.

V.—Interest will not be allowed upon a smaller balance than 1½ Rupee, or upon the excess in any balance over the highest multiple of 1½ Rupee.

VI.—Interest will be allowed for each calendar month upon the minimum balance of the account between the close of the fourth day and the end of the month.

VII.—From the 1st January 1880, till further notice, interest will be allowed upon deposits at the rate of one pie a month for every 1½ Rupee, which is equal to one anna for every Rs. 18 or one Rupee for every Rs. 288 being at the rate of Rs. 4⅙ per centum per annum. Without the sanction of the Comptroller General, no higher monthly interest will be allowed upon any balance than Rs. 17⅓.

VIII.—On the written request of any Depositor, his balance, or any part of it, will be invested by the Comptroller General in his own name in trust for, and at the risk of, the Depositor at current market rates, in stock of any Loan which he may specify; if no particular loan is specified, then stock of one of the Four Per Cent Loans will be bought. And stock or notes of any Government Loan, to a moderate amount, may be received by the Comptroller General from or on behalf of any Depositor and converted into stock. The stock thus bought will be held by the Comptroller General on the Depositor's account, the interest thereon, less a commission of one-quarter per cent., being added to his deposit, on advice from the Comptroller General, and entered in his Deposit Book, the first time that it is subsequently presented. Stock held on account of a Depositor will, on his written request, be sold, and the proceeds added to his Deposit, or, if he desires it, will be converted into notes and delivered to him. A commission of ¼ per cent, besides the Bank's fees, will be charged upon such purchases, sales, and deliveries.

IX.—Every account will be made up on the 31st March, and the interest then due, calculated under these Rules, added to the balance upon which future interest will accrue. If an account is closed on any other date, interest due to the end of the preceding calendar month will be paid to the Depositor: but a Depositor who closes an account should not, ordinarily, be permitted immediately to re-open it, except on payment of a fine varying at the discretion of the Secretary from One to Ten Rupees.

X.—An account may be transferred free of charge to any other Government Savings Bank.

XI.—A Deposit Book will be supplied to each Depositor in which the Secretary, or, if the Savings Bank is at a public treasury, the Treasury Officer, will acknowledge every deposit. The personal attendance of a Depositor is not required; but no deposit will be received or payment made without the Depositor's Deposit Book, and the Government will not be responsible for any deposit the receipt of which is not acknowledged in a Deposit Book. The interest due to date will be entered in each Deposit Book the first time that it is produced after the 31st March. The first Deposit Book will be supplied free of charge; but if a Deposit Book is lost or injured, or if a closed account is re-opened, one rupee will be charged for a new book.

XII.—A Depositor may not operate frequently upon his account as if it were an ordinary banking account, or open more than one account in his own name or in the name of any member of his family or for his own benefit or the benefit of any member of his family. The Comptroller General must take precautions to prevent any transgression of this Rule, and in particular, any employment of an account as an ordinary drawing account. This rule is not meant to prevent any one from opening more than one *ex-officio* or public account.

XIII. The Secretary may refuse to open any account, or may close any account for any sufficient reason, as for example, because he thinks that the account is likely to be used or is being used contrary to the object with which Government Savings Banks are established, namely, the encouragement of saving. But every such refusal or closure, and the reasons for it, should be reported to the Comptroller General.

XIV.—When the Secretary thinks it proper to close any account, he shall give notice, in writing, to the Depositor, of such closure. After the date of such notice, no deposit shall be accepted on the account so closed, and no interest shall be allowed upon the balance of the closed account after the end of the calendar month then current.

XV.—The Comptroller General should report to the Governor General in Council any refusal to sanction an application under Rule IV or VII with his reasons for such refusal.

XVI.—These Rules apply as well to accounts opened before as after their publication.

XVII.—The Governor General in Council reserves the right to alter or add to these Rules at any time.

123

XVIII.—A copy of the Government Savings Banks Act, 1873, and of these Rules, shall be printed in each Deposit Book, and the signature, or, if he cannot write, mark of the Depositor, obtained to the annexed declaration before any deposit is accepted from him.

Declaration to be recorded in accordance with Rule XVIII.

I acknowledge that I have read these Rules (or, if he cannot read, that these Rules have been read to me).

READ again—

Financial Resolution No. 3042, dated 17th October 1879, in clause 4, paragraph 2, of which it was prescribed that the daily balance sheet of treasuries should be signed by the Treasury Officer on the evening of the day itself to which it refers.

Read—

A letter from the Government of the North-Western Provinces and Oudh, No. 297, dated 23rd February 1880, and enclosures, representing that it will be inconvenient to carry out the order, as the treasury must either be closed earlier than usual, at the sacrifice of public convenience, or the Treasury Officer detained at office long after office hours, in order that the balance sheet may be signed and verified on the evening of the day to which the transactions refer; and recommending a revertion to the old practice of verifying every morning the balance sheet of the preceding evening before the cash transactions begin.

RESOLUTION.—The Governor General in Council accepts the recommendation of the Local Government. The Treasurer and the Accountant should, however, take care that their accounts agree before the office is closed for the night; and the Treasury Officer should satisfy himself before the work of the next day begins that this agreement has been effected. It will be proper that from time to time,—as, for instance, before a holiday,—the Treasury Officer should verify the books before the office closes.

ORDERED.—That the foregoing Resolution be communicated to the several Local Governments and Administrations; to the Comptroller General, and to the several Accountants General, and Deputy Accountants General in independent charge.

Asst. Secy. to the Govt. of India.

ACCOUNTS AND FINANCE.

No. 461.

Simla, the 14th May 1880.

In consequence of the increased cost of the war in Afghanistan as now estimated, the Governor General in Council has determined to borrow 313 Lakhs of Rupees, being the amount required for the construction of Productive Public Works in 1880—81.

The following Notification is, therefore, published—

FOUR-AND-A-HALF PER CENT LOAN, 1880.

His Excellency the Right Hon'ble the Governor General in Council has resolved to borrow Three Crores and Thirteen Lakhs of Rupees for the public service in the following manner.

2. Promissory Notes will be issued for the said amount in the form annexed to this Notification, being the form of the notes of *The Transfer Loan*, 1879, of which Loan the notes to be now issued will form a part. All the conditions which apply to notes of the first form of *The Transfer Loan*, 1879, will apply to the notes to be now issued.

3. Tenders for the whole or any part of the said amount of Three Crores and Thirteen Lakhs of Rupees will be received by the Comptroller General from this date to noon of Monday, the 14th of June 1880.

135

4. Each tender must be addressed, in the form annexed to this Notification, to the Comptroller General, Treasury Buildings, Calcutta, and enclosed in a sealed cover superscribed "*Tender for the Four-and-a-Half Per Cent Loan*, 1880." If the tenderer is not resident in India, he must name an agent resident in India to whom a letter of allotment may be issued, if any part of the Loan is allotted to such tenderer.

5. Each tender must be accompanied by a receipt from one of the Banks of Bengal, Madras, or Bombay, or one of their Branches, or from an officer in charge of some public Treasury, or by a cheque on a banker in Calcutta, Madras, or Bombay, or by Government Promissory Notes made payable to the Comptroller General, for not less than one hundredth or if the tender be for less than Five Lakhs of Rs. then for not less than one-fiftieth part of the tender. This deposit of one or two per centum will be forfeited if the allotment is not fully taken up; otherwise, if the deposit is in cash, it will be treated as in part payment of the last instalment. A cash deposit may, after acceptance of the tender in support of which it is made, be replaced by a Government Promissory Note.

6 The rate at which tender is made must not contain a fraction of an anna: if a rate containing a fraction of an anna is inserted in any tender, such fraction will be struck out, and the tender treated as if the rate did not contain such fraction of an anna.

7. The rate at which each tender is made must be specified in rupees or rupees and annas: a tender in which no rate is thus specified, but a subscription is offered at the recorded minimum, or at some specified percentage in addition to the recorded minimum, will be rejected as null and void.

8. The minimum rate at which tenders will be accepted will be recorded under the signature of the Comptroller General, and, when the tenders are opened, placed upon the table in a sealed envelope, but will not be declared unless some tender is rejected only because it is below the recorded minimum.

9. Tenders will be opened, publicly, at the office of the Comptroller General in Calcutta, at noon on Monday, the 14th of June 1880: but the contents of the tenders will not be disclosed otherwise than as provided in Clause 11.

10. Tenders at the recorded minimum rate, and at rates above the recorded minimum rate, will be accepted in the order of the rates tendered, beginning with the highest rate; the amount allotted at the lowest rate at which tenders are accepted, will be divided amongst those who have tendered at this rate, in proportion, as nearly as may be found convenient, to the amounts of their tenders.

11. As soon as possible after the 14th June 1880, letters of allotment will be issued to those persons whose tenders are accepted in whole or in part, or to their agents, and an alphabetical list of the names of those to whom such letters of allotment are issued will be posted, for general information, at the Head-Offices of the Banks of Bengal, Madras, and Bombay.

12. Payment of any accepted tender may be made to the account of the Government in the Head-Office of one of the Banks of Bengal, Madras, or Bombay, or in any Branch of any of these Banks, or into any public Treasury or Treasuries in India which may be named in the tender.

14. Interest upon each payment will be promptly paid in advance, at the rate of four-and-a-half per centum per annum, from the date of such payment to the fourteenth day of September 1880.

15. Scrip receipts for instalments paid will be given by the Banks of Bengal, Madras, and Bombay or their Branches, or by the officers in charge of the Government Treasuries at which payment is made. These receipts will, as soon as possible, be exchanged for promissory notes issued under this Notification.

No. 169.—*Resolution*—By the Government of India, Public Works Department, No. 1174 G., dated Simla, the 4th June 1880.

Read again—

Resolution in the Public Works Department No. 303 G., dated 20th January 1880.

Resolution.—In the Resolution now read again, it was decided to abolish temporary promotions in the Engineer Establishment from grade to grade within a class. These promotions involved no change of duty or increase of responsibility. The sole object of their being made was the improvement of the pay of officers. But in practice it has been found impossible in some Administrations to regulate their publication and rectification with promptitude, and cases have occurred in which officers have been called upon to refund large sums of money. These and other objections render the abolition of temporary promotion imperative except from class to class.

In sanctioning the measure, however, it was not the intention of the Governor General in Council to retard promotion permanently, or to injure the pecuniary prospects of the officers affected. In order, therefore, to restore promotion to the former standard, but on a more satisfactory basis, the Governor General in Council is pleased to decide, subject to the approval of the Secretary of State, that an addition shall be made to the permanent number of officers in each of the higher grades of Executive Engineers and the 1st Grade of Assistant Engineers, so as to allow of the promotion of a number of officers from the junior grades of those classes corresponding to the normal number of officers on furlough. The numbers to be added, in the several lists, to the grades indicated will be published in a separate order.

Order.—Ordered, that this Resolution be published in the *Gazette of India* for general information.

No. 175.—To fill vacancies existing in the Engineer Establishment of the Public Works Department, Railway Branch, the following promotions are made:—

Bombay, 24th December 1879.

Some difficulty has been experienced in making known to the public in Great Britain the conditions under which overland parcels can be sent out to India, and it is thought that the following notice respecting the conditions may be useful to persons in India who may have occasion to order parcels to be sent to them from Great Britain.

PARCEL POST FROM GREAT BRITAIN TO INDIA.

1. Persons wishing to send parcels to any part of British India, can do so through the *Indian Parcel Post Agency*—established under authority of the Director General of the Post Office of India—at 122, Leadenhall Street, E. C., and (Branch Office) at 25, Cockspur Street, S. W.

2. *The Charge on Parcels* is 1*s.* per lb. or fraction of a lb. (*prepayment optional*), covering transit from London to destination in India. Insurance may be effected, if desired, at the rate (to be prepaid) of 1*s.* for every £5 or fraction of £5. Indian Customs duty (if chargeable) will be realized from the addressee.

3. *The maximum weight, size, and value* of a parcel are—weight 50 lbs., size 2 feet long by 1 foot broad and 1 foot deep, value 50£.

4. The following are *forbidden contents*:—liquids or any articles of a dangerous or damaging or fragile nature.

5. On parcels containing jewellery, gold, silver, watches or precious stones, an additional *ad valorem* charge for marine transit will be made at the rate of 1*s.* for every £5 or fraction of £5.

6. *Mode of packing and address*:—Parcels must be entirely closed and securely packed and fastened: a covering of cloth or water proof sewn at the edges being recommended. The Indian address should be legibly written, with the superscription, "By Indian Parcel Post."

7. *A letter of advice*, stating name and address on parcel, contents and value for Custom House clearance, with legible signature and address of sender, should be sent to the Office (see clause 1) with each parcel, *accompanied by payment*, if it be desired to prepay or insure the parcel.

8. *A receipt* will be given (by the company) for each parcel received from the country, and for other parcels, if required.

9. *Parcels from the country* (including all those not booked by the senders or their messengers or agents in person at the London Offices) may be forwarded to the Office in London (see address below) by railway, or any other means available; but the parcel with the Indian address, as in clause 5, should

in such case be enclosed in an *outer covering*, bearing the address, "Indian Parcel Post Agency, 122, Leadenhall Street, London, E. C." The charges for carriage to the above address are additional to charges for transit or insurance under clause 2, and may be prepaid to the local carrying agent, or left to be paid on delivery in London, and subsequently collected from the addressee. The letter of advice (see Clause C), with any payment desired for transit or insurance (payment by post should be by cheque or money order, payable to A. M. Bethune) should be sent to the same address by letter post, and the *receipt* will in such case be forwarded by post.

181

10. Parcels containing books or articles treated as books under British Inland Book Post rules are charged at half the rates, *viz.*, 6*d.* per lb., prepayment being optional.

2. The sales will be held at the Kundapur Taluk Cutcherry.

4. The upset price exclusive of duty will be one anna per maund.

5. Bids will only be accepted per maund less duty.

6. To meet the convenience of small traders, a certain quantity of the salt will be put up in lots of 12 maunds each at the discretion of the Salt Deputy Collector, who will conduct the sale. These must be paid for immediately on the close of the sale at the rate bid in addition to duty, and must be removed at once.

7. The rest of the salt at each depôt will be put up in lots of not less than 100 maunds each at the discretion of the Salt Deputy Collector on the following conditions as to sale, payment, &c.

They must also, within the same period of eight days, enter into an agreement for the removal of the salt purchased by them within six months from the date thereof, on condition that each lot of salt removed is to be paid for (duty included) at the time of removal, until the full price of the whole quantity purchased has been paid including duty, but deducting any deposit in cash which may have been made, and which will then be credited to Government from time to time in such instalments as may be equivalent to the value of the lots of salt thereafter from time to time removed. Forms of agreement may be seen on application to the Salt Deputy Collector, or at this Office.

11. Failure to make payment, furnish security, execute agreements, or remove salt as required by clauses 9 and 10 hereof will entail forfeiture of the deposit made by the person so making default, and the salt knocked down to him will be sold at his risk and expense in such manner and at such time and place as the Commissioner of Salt Revenue may direct.

12. Godown rent at the rate of 4 annas per gunny per month will be charged on all salt not removal from the depôts within the eight days after the expiry of the term of eight days above mentioned.

Resolution.—Approved.

II. Adoption of Budget Estimates of receipts and disbursements for the official year 1880-81.

Resolved.—The Draft Budget is approved of, and it is resolved that it be now submitted for the sanction of the Chief Commissioner agreeably to the provisions of section 31 of the Bangalore Municipal Regulations of 1871. Further adverting to the heavy burden now imposed upon their resources by having to defray the entire cost of the Town Police Force, the Commissioners resolve that an extract from the Proceedings of the Municipal Commission, dated 1th August 1878, be submitted to the Chief Commissioner with the present Budget, as the conditions under which this charge was first imposed and the promises since made of their being relieved of a portion of the cost of the Police are therein fully detailed.

III. Proposal by President to collect payment of loom-tax in future by two instalments instead of five as at present.

Resolution.—The Commissioners concur as to the advisability of decreasing the number of instalments, but consider that instead of collecting the tax by two instalments, as now proposed, it would be preferable that it should be collected by 3 equal instalments. The payments, it is proposed, will therefore in future be made as follows:—

The 1st instalment will fall due on the 1st November.
The 2nd do do January.
The 3rd do do March.

Explanation of the differences between Actuals and Estimates.

RECEIPTS.—*Land Revenue Assessed Taxes.*—The apparent short collections under these heads is owing to the demands not falling due till the later months of the year.

Forests.—Periodical sales not yet effected.

Excise.—The increase is in the Districts of Bangalore and Mysore.

Education.—A perceptible decline in schooling fees and sale of books.

DISBURSEMENTS.—*Refunds.*—Increase under law and justice, stamps and customs.

Excise.—The increase is explained by the purchase of spirits according to revised arrangements.

Administration and Public Department.—The apparent decrease is owing to the Palace accounts from June to August 1879 not having been included in the Quarter's account for want of details.

Jails.—The increase of charge is due to the expenditure in the Kukarhalli Temporary Jail not being budgeted for.

Medical.—The decrease is due to Europe medicines budgeted for but not yet received.

Miscellaneous.—Increase due to compensation allowance and gratuities paid to Military Officers on their transfer from the Mysore Commission.

Decreases under other heads are owing principally to reductions in establishments.

6. To meet the convenience of small traders, a certain quantity of the salt will be put up in lots of 12 maunds each at the discretion of the Salt Deputy Collector, who will conduct the sale. These must be paid for immediately on the close of the sale at the rate bid in addition to duty, and must be removed at once.

7. The rest of the salt at each depôt will be put up in lots of not less than 100 maunds each at the discretion of the Salt Deputy Collector on the following conditions as to sale, payment, &c.

They must also, within the same period of eight days, enter into an agreement for the removal of the salt purchased by them within six months from the date thereof, upon condition that each lot of salt removed is to be paid for (duty included) at the time of removal, until the full price of the whole quantity purchased has been paid including duty, but deducting any deposit in cash which may have been made, and which will then be credited to Government from time to time in such instalments as may be equivalent to the value of the lots of salt thereafter from time to time removed. Forms of agreement may be seen on application to the Salt Deputy Collector, or at this Office.

11. Failure to make payment, furnish security, execute agreements, or remove salt as required by clauses 9 and 10 hereof will entail forfeiture of the deposit made by the person so making default, and the salt knocked down to him will be resold at his risk and expense in such manner and at such time and place as the Commissioner of Salt Revenue may direct.

Bangalore, 9th December 1879.

The Market Committee assembled this morning at 7—30 o'clock agreeably to notice.

President.

Doctor J. H. Orr, C. B. Present.

Members.

G. G. Brown, Esq.	Abdul Husen, Esq.
S. Lee, Esq.	Captain P. Curley.
A. R. Sabhapati Modaliar, Esq.	T. T. Leonard, Esq.

The Committee adjudge the—

BEEF.—1*st prize to No.* 10 *Stall, Rasul Saib*, he having obtained 715½ marks, the highest number obtained last year having been 658.

2nd prize to Ummar Saib, Stall No. 1, who was the recipient of the 1st prize last year with marks 658, having only obtained 598 this year.

This butcher took the first prize for beef for several successive years.

3rd prize to Abdul Sattar, No. 35 *Stall*, who obtained 402 marks.

The Committee note that the total number of marks obtained for the 1st, 2nd and 3rd prizes this year amount to 1,715½, which as compared with the total obtained by the prize-winners last year, *viz.*, 1,581½, shew a marked improvement in the supplies for 1879 and evinces also that a healthy spirit of emulation exists among the vendors.

The Committee adjudge the—

MUTTON.—1*st prize to Balaji Rao, No.* 113, he having obtained 1,779 marks, the highest obtained last year being 1,972 by Chaudri Nannubhayi.

2nd prize to Chaudri Nannubhayi, who obtained 1,773 marks against 1,462, the number which carried the 2nd prize in 1878.

Chaudri Mahomed Usman obtained the highest number of marks, *viz.*, 727, which the Committee does not consider sufficient to justify them in giving the third prize and therefore resolve to withhold it.

The Committee remark with much satisfaction that the competition for the 1st and 2nd prizes have been keenly contested, the difference between the marks of the prize-winners been only six.

FRESH-WATER FISH.—1*st prize to Stall No.* 8, *Turkanam.*

The Committee withhold the 2nd prize owing to the absence of sufficient competition.

Committee's Report relating to ground in Oossoor road.

5. Read—Report of Committee assembled to decide on the best mode of disposing of the plot of ground contiguous to Serpentine and Oossoor roads, Richmond Town.

Resolution.—The Commissioners resolve that, in accordance with the recommendations of the Committee, Mr. Aga Alli Asker be granted the piece of ground in front of his premises at the rate of ½ anna per square yard on conditions to be subsequently detailed.

That the ground in front of Mr. Lee's factory be granted to the owner of the premises at the rate of one anna per square yard.

With reference to plot No. 3, the Commissioners resolve that 64 feet of the frontage on the south side be added to plot No. 4, and that the remaining portion of the ground be granted to the owner of the premises at the rate of one anna per square yard.

That plot No. 4 with the addition to it above made be sold by public auction.

It must be understood that these concessions are only granted on the following condition :—

"That the several owners and the purchaser of plot No. 4 bind themselves to erect a uniform boundary wall of brick in mud with chunam coping and under five feet in height."

Octroi Duties on Tobacco and Arecanuts.

6. Read—Proceedings of the Chief Commissioner of Mysore, No. 4914-25—Ml. 243, dated 24th December 1879, relating to the Octroi duties on tobacco and arecanuts.

Resolution.—The Commissioners would beg to point out that the duty of four annas per maund, hitherto levied on arecanuts imported for local consumption, is in reality so small and bears so lightly on the population of the station generally as scarcely to be felt, while the decrease of income from the abolition of this duty amounting to about Rs. 4,300 annually will be a serious loss to the Municipality. They submit that the levy of this duty has as far as the Municipality is concerned been hitherto conducted under rules and restrictions which have in no way interfered with or obstructed the freedom of trade in such article, and as the latter consideration would appear to be the chief if not the only reason for the abolition of the duty, they would earnestly solicit a re-consideration of the present order directing its discontinuance and that permission be granted to the Commissioners to include arecanuts in the list of articles subject to Municipal Octroi.

Proposed Bye-Law No. 1—42.

7. Read—Memo No. 4939—Mul. 245, dated 24th December 1879, from the Secretary to the Chief Commissioner in the Revenue Department, relating to proposed Bye-law No. 1—42.

Resolution.—To be recorded.

Proposed alteration to Bye-Laws No. 48 *and* 57.

8. Read—Docket No. 5194—Ml. 258, dated 7th January 1880, from the Secretary to the Chief Commissioner in the Revenue Department, relating to the proposed alteration to Bye-laws No. 48 and 57.

Resolution.—That to enable a Magistrate to award imprisonment in lieu of fine when the latter is not recoverable, it is resolved that the Chief Commissioner be moved to obtain the sanction of His Excellency the Viceroy and Governor General in Council to the following additions being made to Section 225 of the Bangalore Municipal Regulations of 1871.

"In cases where the Magistrate is satisfied that a fine cannot be realized, imprisonment of either description up to one month may be accorded."

Instructions should also be given to the Amildars to rectify their accounts without further delay in order to shew correct balances for the year ending 31st March 1880.
